MARGATE BUSINESS ASSOCIATION
Daniel and Maria Walters
2020 SCHOLARSHIP PROGRAM
Offers
Scholarship Opportunity for MARGATE/LONGPORT Students

The Margate Business Association is offering **two \$2500 scholarship awards** to Margate or Longport student residents who have attended Margate elementary schools (public or private), will graduate from an area high school in May/June, 2020, have been accepted to and will be attending an accredited institution of higher learning, and best fulfill the following requirements:

1. Submission of a response to the following:

On September 23, 2019, Greta Thunberg, a sixteen year old Swedish climate activist, spoke at a United Nations Climate Action Summit. In her speech, she condemned a lack of action on the part of world leaders to halt climate change. She ended her speech saying, “Our house is on fire. We will do everything in our power to stop the crisis from getting worse.” In December, 2019, Time Magazine named her the Person of the Year. Are you willing to join her movement? Take a position and write a **letter** to her expressing your ideas about climate change and your willingness or unwillingness to join her mission. **In your letter of 250-300 words, cite at least three reasons why/how you can assist her, OR three reasons why you do not feel obligated. In your letter, address Greta directly but do not identify yourself by name.**

2. Three (3) adult references (not related to the entrant):

- A. A classroom teacher
- B. Someone associated with the student in extra-curricular activities
- C. A community sponsor providing a personal character reference

3. A list of K-8 elementary/middle schools attended

4. A list of high school activities

5. A list of club, volunteer, or community service activities (current or past)

6. A list of any special honors and/or awards

7. Name of college/university you will attend in Fall 2020, and proposed major

PLEASE NOTE: We are strict with the eligibility criteria and deadlines. Without exception, applications that do not meet all of the criteria, are missing required elements, or arrive after the deadline are screened out of the process and are not considered for an award.

I have completed and attached my essay, the form listing K-8 schools attended, school, community service, special awards, and the three required adult letters of reference.
